

Hello ladies and gentlemen of the SCF Softball Club

Our last SCF Softball Club Golf Outing (Scramble) went so well, I thought I'd organize another one in conjunction with the SCF Softball Club 2022 States Tournament event.

This time, the golf scramble will be on Saturday April 2 in the afternoon - shotgun start. Time TBA.

I have room for 72 golfers - SCF Softball Club Members and/or their spouses/significant others can participate.

Will organize men's foursomes, women's foursomes, and mixed foursomes as desired/possible.

Golf cost this time will be \$62 per person (includes cart, practice range, and tax), so, blame Copper Canyon Golf inflation!

Tournament cost is \$5 per person (for snacks/drinks for golfers)

1. Team scramble, no individual scores....
2. Everyone plays their own ball, but the team chooses the best shot of the group to play/putt the next shot/putt from. The other 3 team members pick up their ball and drop it at the site of the chosen best shot to hit/putt again.
3. No particular golf skill necessary, I'll make sure each group has comparable players and, at minimum, one good golfer - to carry each group :-)
4. If you need clubs to join in, contact the Copper Canyon Pro Shop for rental clubs
5. Award Ceremony/drinks after golf at the Indigo Grill
6. NOTE:
 - Please let me know if you, your spouse, or your significant other would like to play (names please)
 - If you have an established golf handicap, please let me know what it is.
 - If you don't have an established golf handicap, please let me know what you typically would shoot (including any misses/duffs/ob's) over 18 holes (Note: I can double your 9 hole typical score if necessary)

If you are playing, **you will pay your own green fees AFTER 3/21 and BEFORE 3/31 at the Copper Canyon Pro Shop.**

Please let them know it is for the 4/2/2022 SCF Softball Club Golf Outing (Jim Monachino Outing Host).

Questions?

Just ask!

Should be another great outing!
